ANAT Open Ended Questions

What did you like most about this course and instructor?

Comments
I learned an overwhelming amount of material that I didn't think I was capable of learning. But Theo's patience and willingness to help students was invaluable.
He was funny and was very helpful.
Theo was great to learn from. He was knowledgeable and engaging. He was easy to ask questions from and very laid back.
His love for teaching and anatomy
I liked the option of having a lot of free time to work.
How the tied our information from lecture to the lab
He made the class fun and engaging. Tries to involve and help everyone.
funny and enjoyable
Extremely energetic and passionate in lab and it clearly sparks motivation among students. He integrates lecture questions within lab questions as well, which creates double the learning environment.
Very good
I thought he was very approachable and funny and made class time fun
The course was very interesting and there was so much information to learn to where the class never had a dull moment. Theo Smith usually provided comical commentary as well as helpful tips to help the
Theo made it fun to learn and didn't make it feel like such work.
